Dear Commissioner:

The USPTO issued an office action dated March 9, 2001  
in respect to the above entitled application. Applicant  
responds as follows:

Add new method claims 67-129.

~~claim 67. I claim a method for accessing multiple  
programs delivered in compressed form on one or more delivery  
channels,  
said method including delivering at least one of the  
multiple programs without a user's specific request,  
at least one of said multiple programs including at  
least some substantive displayable information that may be  
distinct from a listing of the programs allowing access,~~
